

Friends of the Cardiff-by-the-Sea Library 2008 Scholarship Program

The Friends of the Cardiff-by-the-Sea Library was founded in April 1984 as a support group for the library with the ultimate goal of a permanent new library on a dedicated site. The goal was realized on March 22, 2003 with the dedication of the 5,633 square foot, energy efficient building, the first “green designed” library in San Diego County.

To continue the tradition of community support and involvement, the Friends are offering four \$1,000 college scholarships for graduating high school seniors and continuing college students, under-graduate or graduate level. Up to four scholarships, two in each category, may be awarded at the discretion of the judges.
